**UNITED STATES DISTRICT COURT NORTHERN
DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION**

IN RE: VOLKSWAGEN “CLEAN DIESEL”
MARKETING, SALES PRACTICES, AND
PRODUCTS LIABILITY LITIGATION

MDL 2672 CRB (JSC)

This Document Relates to:
ALL CONSUMER AND RESELLER
ACTIONS

**CLASS MEMBER JOLIAN KANGAS' NOTICE
OF WITHDRAWING FROM THE 2.0-LITER
TDI CONSUMER AND RESELLER
DEALERSHIP CLASS ACTION
SETTLEMENT, REQUEST FOR SCHEDULING
ORDER, AND RESERVATION OF RIGHTS**

NOTICE

On October 25, 2016, the Court issued the following Order:

For Settlement Class Members who, because a Fix has not become available, withdraw from the class between May 1, 2018 and June 1, 2018, the statutes of limitations on claims asserted on behalf of those Settlement Class Members in this MDL shall be tolled from the date of the Preliminary Approval Order to the date such Settlement Class Members withdraw from the Settlement Class.

[Dkt 2102]

Class Member Julian Kangas (“Kangas”) received notice months ago a Fix will not

1 be available for his vehicle. Kangas hereby withdraws from the class settlement and class action
2 in the 2.0 TDI Consumer and Reseller Dealership Class Action. Kangas requests the Court issue
3 a Scheduling Order, as Kangas was prevented from taking any actions until this date. Kangas
4 further requests Defendants conduct a FRCP 26(f) conference with his counsel within the next
5 21-days. Kangas reserves the right to a jury trial in the Eastern District of California wherein
6 this matter was originally filed. Kangas could not oppose the transfer of his case to this District
7 while the stay was in effect. In the event this Court refuses to enforce the discovery rules against
8 Defendants, Kangas reserves the right to request this matter be transferred back to the Eastern
9 District for pretrial matters. Kangas is concerned this Court may be more focused on protecting
10 the reputation of the class settlement than allowing the opt-out parties to vindicate their rights.
